

Commentaries on Science, Covid-19, Brexit and the Environmental Crisis written by Gabriel Waksman and published in the European Scientist and Nature

- 1- **G. Waksman** (2020). Brexit: a pointless exercise that will waste energy and time to get to where we are already (or close)! <https://www.europeanscientist.com/en/redactions-choice/brexit-a-pointless-exercise-that-will-waste-energy-and-time-to-get-to-where-we-are-already-or-close/>. **European Scientist**. Also translated in German (<https://www.europeanscientist.com/de/artikel-der-woche/brexit-eine-sinnlose-uebung-die-energie-und-zeit-verschwenden-wird-um-dorthin-zu-gelangen-wo-wir-bereits-sind-oder-nahe-dran-sind/>).
- 2- **G. Waksman** (2020). From conference traveller to tree planter. <https://www.nature.com/articles/d41586-020-00442-5>. **Nature**. Featured in UCL and Birkbeck news, twitter, and blogs.
- 3- **G. Waksman** (2020). Scientists, unite in offsetting your carbon emissions! <https://www.europeanscientist.com/en/features/scientists-unite-in-offsetting-your-carbon-emissions/>. **European Scientist**. Also translated in French (<https://www.europeanscientist.com/fr/opinion/chercheurs-de-tous-les-pays-unissez-vous-pour-reduire-et-compenser-votre-empreinte-carbone/>).
- 4- **G. Waksman** (2020). Will Covid-19 make us more European? <https://www.europeanscientist.com/en/public-health/will-covid-19-make-us-more-european/>. **European Scientist**. Also translated in French (<https://www.europeanscientist.com/fr/sante/lepidemie-de-covid-19-nous-rendra-t-elle-plus-europeens/>).
- 5- **G. Waksman** (2020). God, Science and Covid-19. <https://www.europeanscientist.com/en/redactions-choice/god-science-and-the-covid-19/>. **European Scientist**. Also translated in French (<https://www.europeanscientist.com/fr/redactions-choice-fr/dieu-la-science-et-le-covid-19/>).
- 6- **G. Waksman** (2020). For better or for worse: a post-Covid future. <https://www.europeanscientist.com/en/environment/for-better-or-for-worse-a-post-covid-future/>. **European Scientist**. Also translated in French (<https://www.europeanscientist.com/fr/environnement/pour-le-meilleur-ou-pour-le-pire-quel-avenir-apres-covid-19/>).
- 7- **G. Waksman** (2020). Science's diverging messages: why did the "guided by the science mantra" lead countries down different strategic paths. <https://www.europeanscientist.com/en/features/sciences-diverging-messages-why-did-the-guided-by-the-science-mantra-lead-countries-down-different-strategic-paths/>. **European Scientist**. Also translated in French (<https://www.europeanscientist.com/fr/opinion/la-science-sous-influence/>).
- 8- **G. Waksman** (2020). Our systemic and systematic assault on the natural world must stop! <https://www.europeanscientist.com/en/features/our-systemic-and-systematic-assault-on-the-natural-world-must-stop/>. **European Scientist**.

- 9- G. Waksman (2020). In praise of the EU's decision-making process.  
<https://www.europeanscientist.com/en/features/in-praise-of-the-eus-decision-making-process/>  
**European Scientist.**
- 10- G. Waksman (2020). Scientists, let's not go back to the pre-Covid world of unrestrained professional travelling.  
<https://www.europeanscientist.com/en/features/scientists-lets-not-go-back-to-the-pre-covid-world-of-unrestrained-professional-travelling/>
